Reference Letter

For The Record

I have had the privilege of knowing Liz both personally and professionally for over thirty-six years now.

In that time, I have found her to be many things; Stubborn, Opinionated, Brash, Bold, Strong, Determined, Obnoxious, Caring, Dedicated, Knowledgeable, Loud, Crazy, and quite possibly the most Frustrating woman that I have ever known.

But when she's right, she is Right. And I have learned to trust her judgment, and opinion.

When she speaks, it is with the sure knowledge that she does know what she is talking about.

She is unafraid to seek new information, on any subject, and become well versed; quite often, to the point of then being able to teach others.

Curiosity, and a genuine desire to be ever better informed have often taken her in unimaginable directions, yet she rarely fails to achieve a goal.

I most highly recommend Liz for any position, and count her as one of the most Trustworthy and Valuable allies for which one could ask.

More than once has she provided the Key to resolving a problem.

Do you want something accomplished? Just Ask Liz.
Do you need a solution to a problem? Just Ask Liz.
Do you need information, but do not know where to begin? Just Ask Liz.
Do you feel that I am overly enthusiastic with my endorsement? Just Ask me.
